**Treasurer Report:**

- \$7,757.86 in the account, minus \$2,160 for the Beef & Beer Hall Rental leaving \$5,597.86 in account prior to reimbursement of \$162.14 for the Marching Band Recruitment Meeting posters and \$8.20 postage for Beef & Beer Thank You Letters.

**New Business:**

- Alumni Association has agreed to pay for 2 band members to go on the Dorney Park trip.
- Brian would like to purchase a podium cart for the marching band. This would make it easier for the band members to take the cart in and out of the school, as well as off and on the field.
- Gene has asked both the Alumni Association and the Parents Association to each donate \$25/band member to help offset the cost of being in the marching band.
- It was agreed that the Alumni Association would like to donate \$50/band member.
- We would also like to look into obtaining an Alcohol Permit from the LCB to possibly host an event at the school. We will do more research into this.

**Trenton Thunder Fundraiser:**

- Sell tickets for \$10 (face value), and Association is able to keep \$4/ticket.
- We need to find out:
  - The minimum amount of tickets that we have to sell.
  - The time frame that we need to tell them the amount of tickets we require.
- Looking at Friday August 8, 2008.
- If we sell 250 or more tickets, the Association get \$1 more per ticket sold.

**Next Meeting is Tuesday June 10, 2008 at 7pm**
